

HI-SAGE

To Joe
will it anthur
year only 3 left
to go thank you
will always remember
the good memore of the
class of 83 best year so far
a friend
Stuart J. Jordan '83

To Joe
That computer
putting person-good
memories from the class of 83.
fellow student,
Brent Reid

be,
Stay Cool
Stay and High!
Robert Jordan

to be,
very strong
but super nice guy
who likes to ask ques-
tions (why, how, when, where,
etc.) good luck in all you
ever attempt, I know you'll
reach your goals. Luck also
with whoever catches your eye,
(girl, I mean). Have fun during
the last 3 years to a friend
and the years to follow.

FORESTRY

ACADEMICS

ENGLISH PROGRAM SHOOTS FOR Higher standards of writing

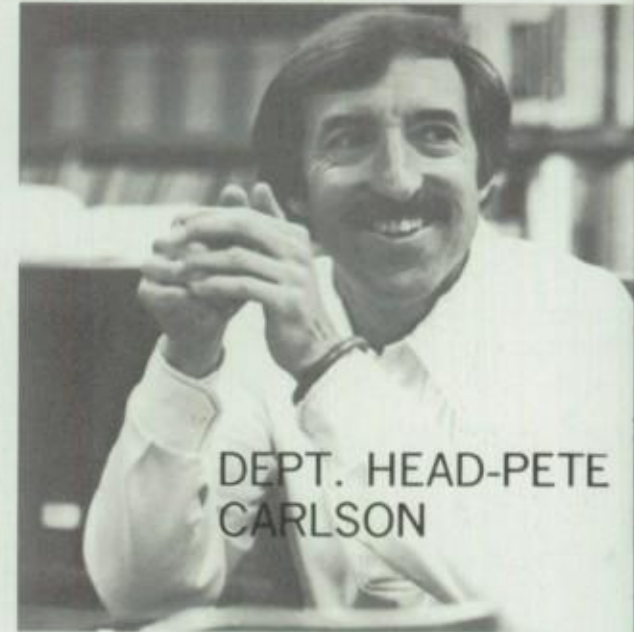

According to Mr. Carlson, English Department Head, the main goals for the English classes has been to bring up standards of writing, grammar and usage. According to the yearly Cat Tests they have been very successful.

He also mentioned that he'd "Like to see more students tryout for the various contests for writing, poetry, essays, etc. because the few who do enter usually win something, either money, trips to state competition or statewide recognition and scholarships."

All students must be enrolled in communications every year, freshman must complete a full year of English I and pass before going on to further English Classes. Once English 1 is completed students have the opportunity to enroll in the following classes:

English Fundamentals, Writing 2, American Literature Survey, Literature of Possibilities, Poetry/Creative Writing, Drama, Literature of The Western Frontier, Art of the Film, Major American Writers, Writing 1, Mythology/Folklore, College Prep English, Writing For Publication, Journalism 1 and 2, and English 2. Of those, Writing, American Literature Survey, and English Fundamentals are required.

Teachers in the English Department include: Mr. Carlson, Mrs. Conroy, Mrs. Cook, Mr. Curnutt, Mr. Hillis, Mr. Morrison, Mr. Wallace, and Mr. Wiles.

DEPT. HEAD-PETE

IN HIS 27TH YEAR

Bob Duke honored with award

This year the History Department was well represented by the head of the department, Mr. Robert Duke. Here since 1954, in his 27th year of teaching at Madras High School, Mr. Duke was honored by a nomination for Oregon Teacher of the Year. Also, at the Annual Awards Banquet, the respect and appreciation held for Mr. Duke by his students and fellow teachers was shown to him when he received a standing ovation by entire crowd. Mr. Duke will be teaching the 1980-1981 year and then plans on retiring.

Other teachers involved in the program include Mr. Steve Rankin, Mr. Bob McKenzie, Mr. Rod Chester, and Mrs. Darlene Cook.

World Today, taught by Mr. Rankin, is offered to Freshmen only. One year of history is required for freshmen and World History is also taught to the more advanced frosh students by Mr. Duke. U.S. History, taught by McKenzie and Duke, is required for all Juniors and Civics, taught by Mr. Chester, is required for all seniors.

DEPT. HEAD-ROBERT
DUKE

1. Billy Wayne, senior, laughs about the idea of class starting. 2. Mr. Duke visits with hard working students as his class researches in the library. 3. Freshmen amuse themselves during a World History lecture. 4. Tami Thomas and Tom Carson, seniors, smile as they look through senior pictures. 5. Cassie Caldera, senior answers a question during class. 6. Mark and Lori Owen, seniors, discuss their after school plans.

ADVANCED MATH TEAM TAKES THIRD At district skills contest

Students at Madras High School are required to take at least one year of math. Courses offered included General Math, Pre-Algebra, Math Review (for juniors and seniors), Algebra, Geometry, Algebra 2, Math Analysis and Math 5.

For those preparing for college, Mr. Gallagher, the Math Dept. Head, advises at least 3 years of Math: Algebra, Geometry, and Algebra 2.

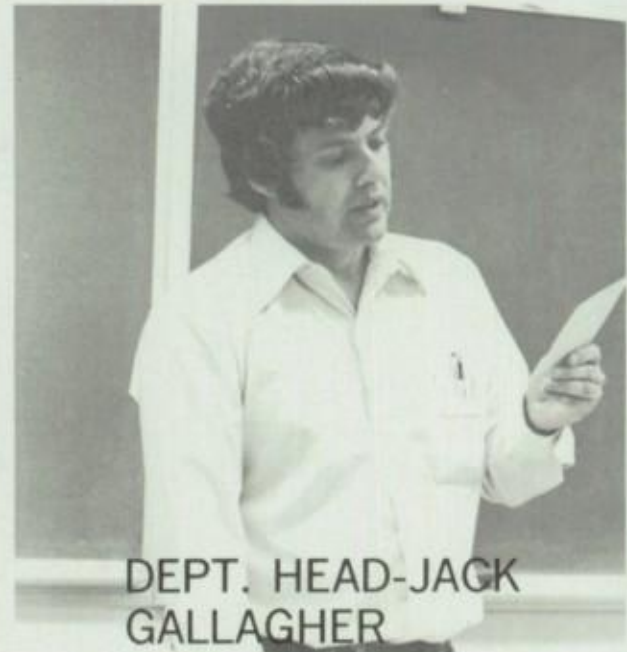

Other Math teachers include Mr. Heydon, Mr. Alexander, Mz. Sturza (Gen. Math), Mr. Anderson (Gen. Math) and Mr. Sullivan (Pre-Alg.).

This year, as in the past two, Math teams were sent to Central Oregon Community College to compete in the Central Oregon Skills Contest.

Lower division team, consisting of General Math, Algebra 1, and Geometry, included Lori Hanson and Terry Tomson, (Gen Math), Mark Owen and Jeff Wagner (Alg 1) and Amy McKelvy and Tami Hyder (Geo). In upper division, Wayne Fessler and Suzi White competed in Algebra 2 while Kim Montee and Eric Lindgren represented Advanced Math.

Upper team placed third in overall competition with Kim Montee taking third in the Math Bee, Suzi White taking third in the individuals, and the team taking first in "Solve That Problem".

The lower division team did not place, however Amy McKelvy took second in Geometry and Mark Owen Placed third in Algebra 1.

FROM SLUGE TESTS TO HARMONIC MOTION IN THE Science department

"We try to help students understand the basic concepts of science so that they can better relate to our natural environment which allows our world to be the way it is," stated Mr. Hastings, Head of the Science Department in summing up the science program.

Mr. Hastings teaches Introduction to Physical Science and Practical Physical Science, Mr. Grantier teaches Introduction to Physical Science, Chemistry and Physics and Mr. Powell and Mr. Sullivan teach both Biology One and Biology Two.

An extra curricular club appropriately named Science Club, also helps students to broaden their knowledge in the field of science. The club raises money by pulling and setting traps at the gun club and selling concessions. With their money they take various field trips.

In the fall of 1979 they travelled to Mt. Newberry, Lava Land Visitors center and the Skeleton Caves. In the spring of 1980 they travelled to the Malheur Wildlife refuge and stayed for two nights camping out.

Of the club Mr. Grantier the advisor stated, "You have to be crazy to belong but it's a lot of fun."

They also placed a time capsule near the flag pole to be opened in the year 2000. It contains magazines, newspapers calculators and other various articles of the 1980's.

Department head Rob Hastings

1. Pat Randle, freshman, looks over his setup.
 2. Bonny Younger, Melinda Easter, and Becky Olsen, freshmen, discuss their science project with enthusiasm. 3. Freshman, Brenda Jalbert, works hard on her frosh sledge test.
 4. Brad Blackman, Freshman, watches with interest as his substances separate. 5. Rick Fiala and Marie Ochs find out if studying really pays off as they finish up a test. 6. Pat Short is suprised by the photographer during an experiment.

VOCATIONAL ARTS PROGRAM TRAINS FOR After high school occupations

Madras High's Vocational Department is a very active and important part of the high school. This year for the first time, the Business Department was included in the Vocational Arts Fair. Madras Elementary school was also involved.

Vocations Involved include the following classes: Wood Shops One and Two, Introduction to Construction, Drafting One, Two, and Three, Metals One and Two (Metal Production/Metal Fabrication), Forestry One and Two, Small Gas Engines, Agriculture One, Two, Three, and Four, Graphic Arts One, Two, and Production, Home Economics, Foods, Art, Photography, and Business related classes.

"The Vocational Department as a whole, gives the students an opportunity to take part in the best courses, instruction wise, in the entire state," commented Mr. Thorpe, Head of the Vocational Department.

Other Department Teachers include Mr. Gilliland, Mr. Noel, Mr. Sanford, Mr. Larson, Mrs. Crocker, Miss Baker, Mr. Commingore, and Mr. Gerke.

TIES

ROLES SWITCHED FOR Sadie Hawkins

It's that time of the year when girls go against tradition. November was the month and it was chasin' time. So the guys put on their running shoes cuz the girls were ready to get hitched.

The ceremony was held in the cafeteria of Madras High School. The chaos all started at 8:00pm, November 17, 1979. After the gals catch their young men they must pick them up and take them out to dinner, paying for all they desire. Another tradition was broken that night; for the past two years it has snowed. In 1979 no snow fell! The next step was getting them down to the school and paying an entrance fee of 25¢ per inch of their guy's foot. Marriage licenses and rings cost 25¢. Pictures were taken by White Horse Studio for a set price of \$5.75. Later on, the marriage ceremony was performed by "Marryin' Sam," Mr. Larson. The music for the reception was put on by the Sound Cellar, Tom Mertz. The catastrophe ended at 11:30 pm. The marriages were annulled, and the night will always be remembered.

Daisy Mae: Rachel Schnider-Freshman

Lil'I Abner: Kim Montee-Senior

Marryin' Sam: Larry Larson

Entertainment: Apple Eating Contest, Grapefruit Passing Contest

Biggest Foot Award: Pat Short-Freshman

1. Li'l Abner, senior Kim Montee, and Daisy Mae, freshman Rachel Schnider, pucker-up for the traditional Sadie Hawkins kiss. 2. Junior Greg Kemper and senior Rod Chiddix chew quickly in hopes to win the apple eating contest. 3. Nervous brides and grooms show their excitement before the wedding ceremony. 4. Seniors Laurier Perkins, Kim Olson, freshman, Terri Thomson and dates, Stan Webb and Mark Nord laugh as Marryin' Sam explains their appearance in Dog Patch language. 5. Marryin' Sam, Mr. Larson, performs wedding vows for Dog Patch U.S.A. 6. Seniors Maureen Flake, Jay Walsh and freshmen, Cami Clowers and Pat Randle feed each other apples instead of traditional wedding cake.

ALL I WANT FOR CHRISTMAS IS . . .

A date to the Cinderella Ball

This year's Cinderella Ball was held on Saturday, December 8. The date was set earlier this year in hopes of avoiding snow. The dance was held in the Madras High School Cafeteria from 8:30 to 11:30pm with the doors closing at 9:00. The cost was \$5.00 per couple and Mr. Gerke introduced something new by offering many different sizes of picture packets ranging from \$6.50 to \$18.00. Pictures were taken in front of a brick fireplace beside a Christmas tree and the theme "all I want for Christmas" was written in the background.

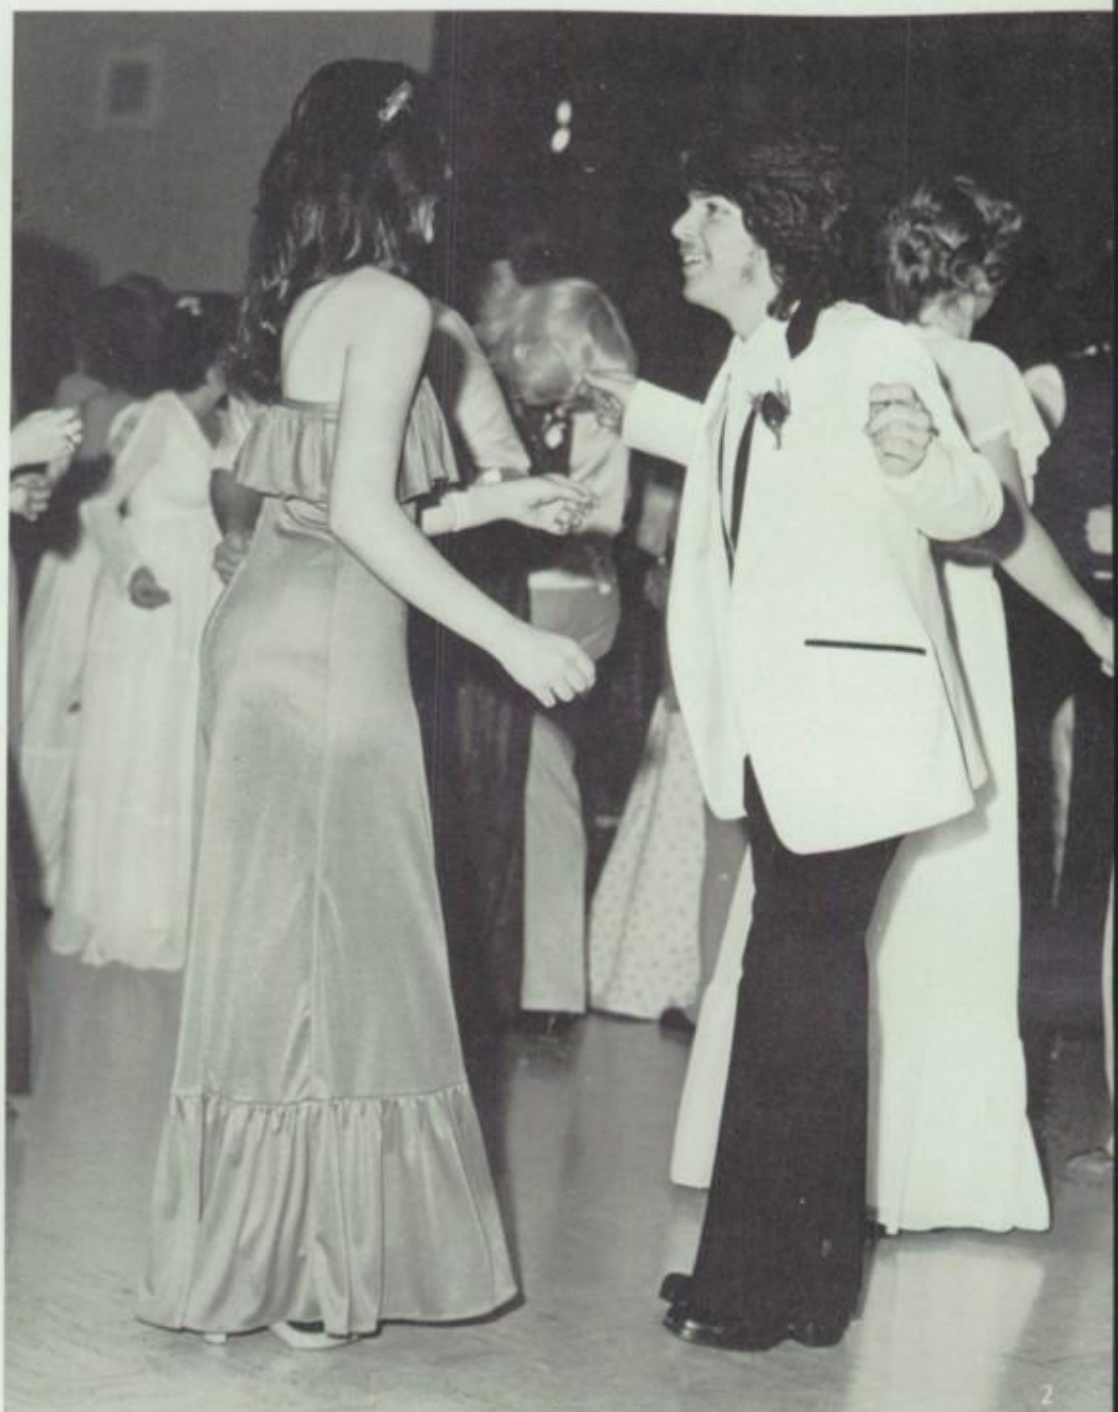

Senior class President, Kim Montee, announced the court and awarded Tracy Runge, Prince Charming for the dance, with a neckchain. Tracy in turn crowned Debbie Cosgrove as Cinderella and the next dance was led by the court members.

Couples enjoyed dancing to 'Hip Pocket', from Corvallis. The dance was sponsored by the Senior Class. They supplied the refreshments, cookies and punch, and decorated the cafeteria with Christmas trees, candy canes, ornaments, branches and many other traditional Christmas ideas. Arrangements and planning for the dance was aided by Senior Class advisor, Mr. Hillis. All in all the dance was deemed a success.

Junior Kyle Morrison and his date, sophomore Rose Martinez, enjoy dancing to a quick tune by "Hip Pocket". 3. Senior Prince Charming, Tracy Runge, honors Debbie Cosgrove, also senior, with a crown for appointment as Cinderella for the 1980 Ball. 4. The court members talk of who will win as they line up to be introduced. 5. Junior Don Courtain and date, senior Linda Shields joke as they break for refreshments. 6. Senior Class President, Kim Montee, holds up the necklace to be awarded to the Prince Charming for 1979.

MAY 2, 1980

Lives in prom history

The 1980 JR.-SR. Prom was held on May 2. After much planning, the Junior Class decided on the theme "Springtime Fantasy." They decorated the upper gym with billowy clouds, rainbows, bright swirling pictures, pastel ribbons, cascading balloons, butterflies and flowers. A wicker chair was placed in a side room for pictures and wicker benches and additional chairs were placed around the dance floor. The refreshments room was a fantasy world of fairys and elves, reflected in ponds or hiding behind trees. The ceiling was billowy white with ribbons winding down and connecting to bows to give the room a sparkling appearance. A champagne fountain also was placed in the room.

The court consisted of: Jeri Brunoe, Tina Jalbert, Debbie Cosgrove, Penny Easter, Jan Hartshorn, Tracy Runge, Ron Wilson, Jim Dodge, Rob Fuller and Ralph Vigil. After the tallying of the votes, the winners were announced. King, Rob Fuller and Queen Jeri Brunoe.

After a cancellation by "Great House" the band selected was "Ticket" a slow rock band from Eugene. The Dance was from 9:00- 12:00 pm in the upper gym. Admission was \$8.00 per couple and a variety of picture packets were available from Mr. Gerke.

The night turned out cool and nice, allowing for a beautiful prom and a fun night for all attending.

MHS HAS TWO PLAYS.

"Annie Get Your Gun" and "The Matchmaker"

MHS's fall play for 1979 was "Annie Get Your Gun" by Irving Berlin.

In the play, Frank Butler, an accomplished egotistic sharpshooter is shown up by a lady, Annie Oakley, from the back woods. They fall in love with each other but because of their competition they fail to get along. After much confusion and misunderstanding they finally combine shows and work out their problems.

Annie Oakley was played by Jill Ponsford and Lynda Sheilds, Frank Butler by Paul Lange and Don Courtain, Dolly Tate by Julie Jordan and Johnnie Beth Gregory, and Charlie Davenport by Lonnie Henderson.

The spring play for 1980 was "The Matchmaker" by Thornton Wilder.

A certain old miser is so rich he decides to take a wife. To this end he employs a matchmaker, a woman who subsequently becomes involved with two of his menial clerks, assorted young and lovely ladies, and the head waiter where this swift force runs headlong in to a hilarious climax of complication.

Horace Vandegelder was played by Kim Montee and Sean Shanahan, Cornelius Hackl by Pat McKenzie, Ermengarde by Janna Gillett, Malichi Stack by Jerry Aldoroty, Mrs. Dolly Levi by Sharon Mitchell and Michelle Mitchell and Barnaby by Harold Shields.

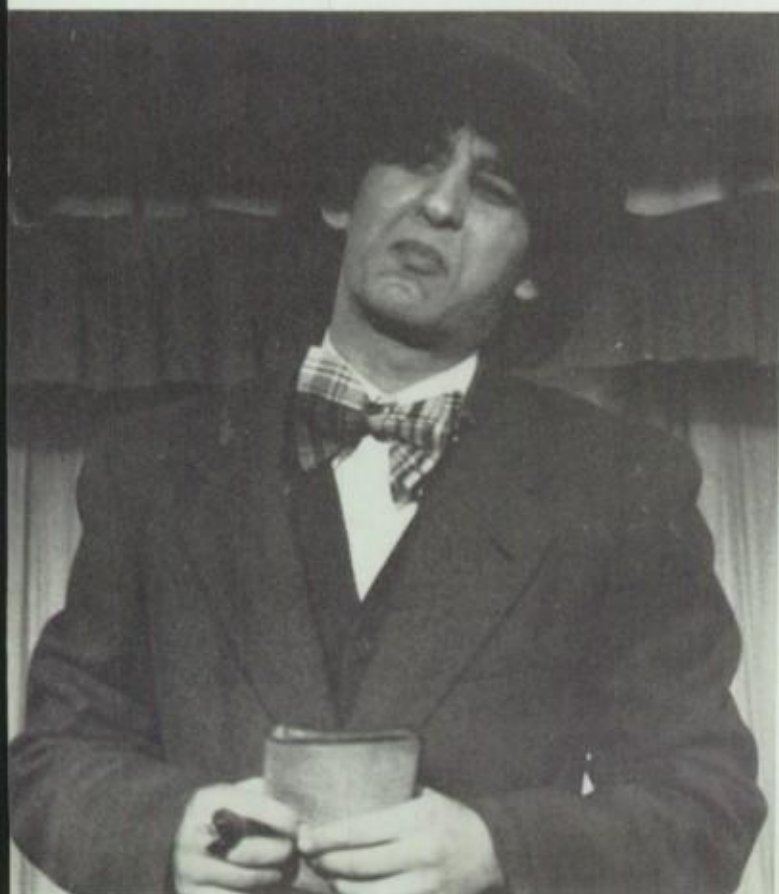

Drama Awards

CLUBS OFFER VARIETY TO MEET High school student needs

This year students were involved with many different clubs. The clubs tried to help meet the various needs and interests of the students by planning trips projects and organizing such things as dinners, open houses and fairs.

AFS served as a base for exchange students to help them feel at home and get them involved with other students and other exchange students. The club has 15 members, plus the exchange students. They go on short term exchanges to other schools every year and host students from Japan for about three weeks. Activities of the club this year included 'kiss a pig', a float in the Jefferson county fair, hosted five students (Foreign Exchange) sent 3, and hosted the annual AFS Dinner.

FBLA is designed to help kids interested in business get involved with things publicly. Membership this year was encouraging with 37 members, who participated in local and state competition. Most placed very well, however, outstanding were Tracy Runge-1st Business Law, and Janna Gillett-1st Ms. FBLA, both went on to compete at the national level. Next year they hope to be less dependent on advisors and place high in all competitive levels. President Terry Gates stated, "FBLA is one of the best organizations in school, you learn a lot, it's run like a business and the advisors are the best."

FFA Helps students develop self confidence and learn more about agriculture. This year there were 30 active members of mixed classes. The club helped with the vocational arts fair and participated in many ag projects, it is one of the oldest clubs at MHS. President Robert Fuller stated "FFA has given me more than any other activity in school and I encourage anybody interested in Ag to get involved."

FHA-Hero is also a vocational club. It focuses on home related occupations, sponsored Sadie Hawkins and Sweethearts Dance, put on a talent show for the nursing home and sent 7 girls to state meeting. There are 20 active members. "While the family is quickly deteriorating, FHA-Hero members are striving to better the family," stated president Sharon Mitchell.

Organized to merit those outstanding in academics, NHS this year tapped in sophomores. For the first time in it's history, NHS allowed sophomores with 4.00 grade point averages to join the club. Previously only juniors (3.5 grade pt. average) and seniors (3.3) were allowed in the club. NHS also gives scholarships, both locally and nationally.

Pied Typers require 1 year of Graphic Arts and at least a B average in the class. It is designed to offer students practical experience in the printing industry. The club is presently selling iron-on decals and hopes to bring attention to the ever increasing opportunities of the graphic arts industry. President Kim Montee stated "I really enjoy Graphic Arts and it's opportunities to explore the possibilities of production."

Science Club sponsors many exciting and exploring trips every year. This year a secret ceremony was held at Skeleton Caves for initiation. They visited Lava Butte, Nuberry Crater and took a three day field trip to Malheur Bird Refuge. A time capsule was also buried by the Science Club this year to be opened in the year 2000. It's located near the flag pole and includes all current newspapers, magazines, and catalogues along with a pocket watch, radio, quart of oil, 8-track tape, Big-Mac container, and different types of money. "We have a great time every year; There's a spring field trip every year. It's to bad more students don't get involved.

VICA's goals are to have fun, build leadership, and make money. This year they travelled to a leadership conference at the Outercrest and went to district and state skills contests. They hope to have enough money at the end of the year for a float trip. "We had a good time this year," Stated club president, John Thomas.

The school newspaper, The White Buffaloe, provides information of the school and surrounding community to the students every two weeks. It includes 5 editors, 3 business directors, 1 typist and 17 reporters. Eric Lindgren, editor, stated, "We had a successful year."

This year the yearbook staff consisted of 12 Editors, Co-Editors assistants and photographers whose main goal was to produce this book. The staff worked hard all year, first selling ads and then drawing layouts, collecting pictures and writing copy. "The year went great and our staff had a good time. We're really proud of our book," stated Suzi White, Feature Editor. Rod Chiddix and Terry Troyer were the Yearbook Editors for 1980.

STUDENT COUNCIL MOVES FORWARD Under strong leadership

"It was a lot of hard work but we had a lot of fun," stated concessions manager, Eric Lindgren of the student council.

Student council got a lot accomplished this year. They ran spirit week and it's many activities came out very well. They helped to get the new sign put up in front of the school. They allocated money to many clubs and activities. They almost got a Spring day for the school, only student apathy stopped this.

The Government this year consisted of: Ben Oches-PRESIDENT, Cinda Ditmore-VICE-PRESIDENT, Janna Gillett-SECRETARY, JoAnn Ahern-TREASURER, Marie Oches-Sandy Schledewitz-Co-Ads MANAGERS, Amy McKelvy-PARLIAMENTARIAN, Michelle Mitchell-School Board REPRESENTATIVE.

FAST IMPROVEMENT MADE BY Dedicated Choir members

The choir program for 1979-1980 doubled in size due to a greater amount of student involvement and dedication, and to the amount of enthusiasm introduced by director Don Anderson.

The "Reflections", Madras High's swing choir, participated in several festivals, including the Pleasant Hills Jazz Festival, Mountain View Jazz Festival, and the Newport Swing Choir Festival. They also raised funds for their group by singing Val-O-Gram messages from lovers to their lovees for a small fee.

A Cappella choir kept busy planning and hosting the District 5 Choir Festival, where they placed second. Singing and preparing for various concerts was also a main goal. Bob Brown, a senior A Cappella member and new to Madras High this year, is the only male singer from Central Oregon to qualify for state competition.

"That's Entertainment", a non competitive swing choir festival put on by the "Reflections", was stunted by bad road conditions. However some choirs did show and the festival went on as scheduled, followed by a dance, including all choirs and the public.

Great improvements were made over the year in both Swing Choir and A Cappella.

MADRAS PEP BAND PLACES

Second at State Basketball Tournament

Band members this season experienced many things. Despite the beliefs of many, playing a musical instrument and being a part of the band takes a lot of skill and dedication. Unlike sports, however, the season lasts the full school year.

Although not usually done, this year, members of the Band marched in the Fair Parade. This gave them some experience for their performance at the O.S.U. Band Day, a special day planned for high school bands to compete against each other in marching and playing skills. However much work was still required at the start of the school year. In spite of all their efforts, the parade was rained out and the band spent the day shopping at Washington Square.

Marching at half-time of the football games, accompanied by the newly formed Flag Corps, was also a cold and windy experience but was spared of rain. The band performed a progressive field show for Homecoming and marched in the Noise Parade.

The Pep Band played at various basketball games, both home and away, and also travelled to state, winning second place in the Pep Band competition.

Concert Band performed at many events including the Annual Chili Feed Fund Raiser, the Christmas Concert, the Spring Concert and competed in the Central Oregon Band Festival.

ENTHUSIASM AND KICK GIVE

Freshmen unusual placing

The Class of 1983 started their careers in a new school with spirit and enthusiasm, winning second place in Spirit Week and proving wrong the fallacy that freshmen have no spirit.

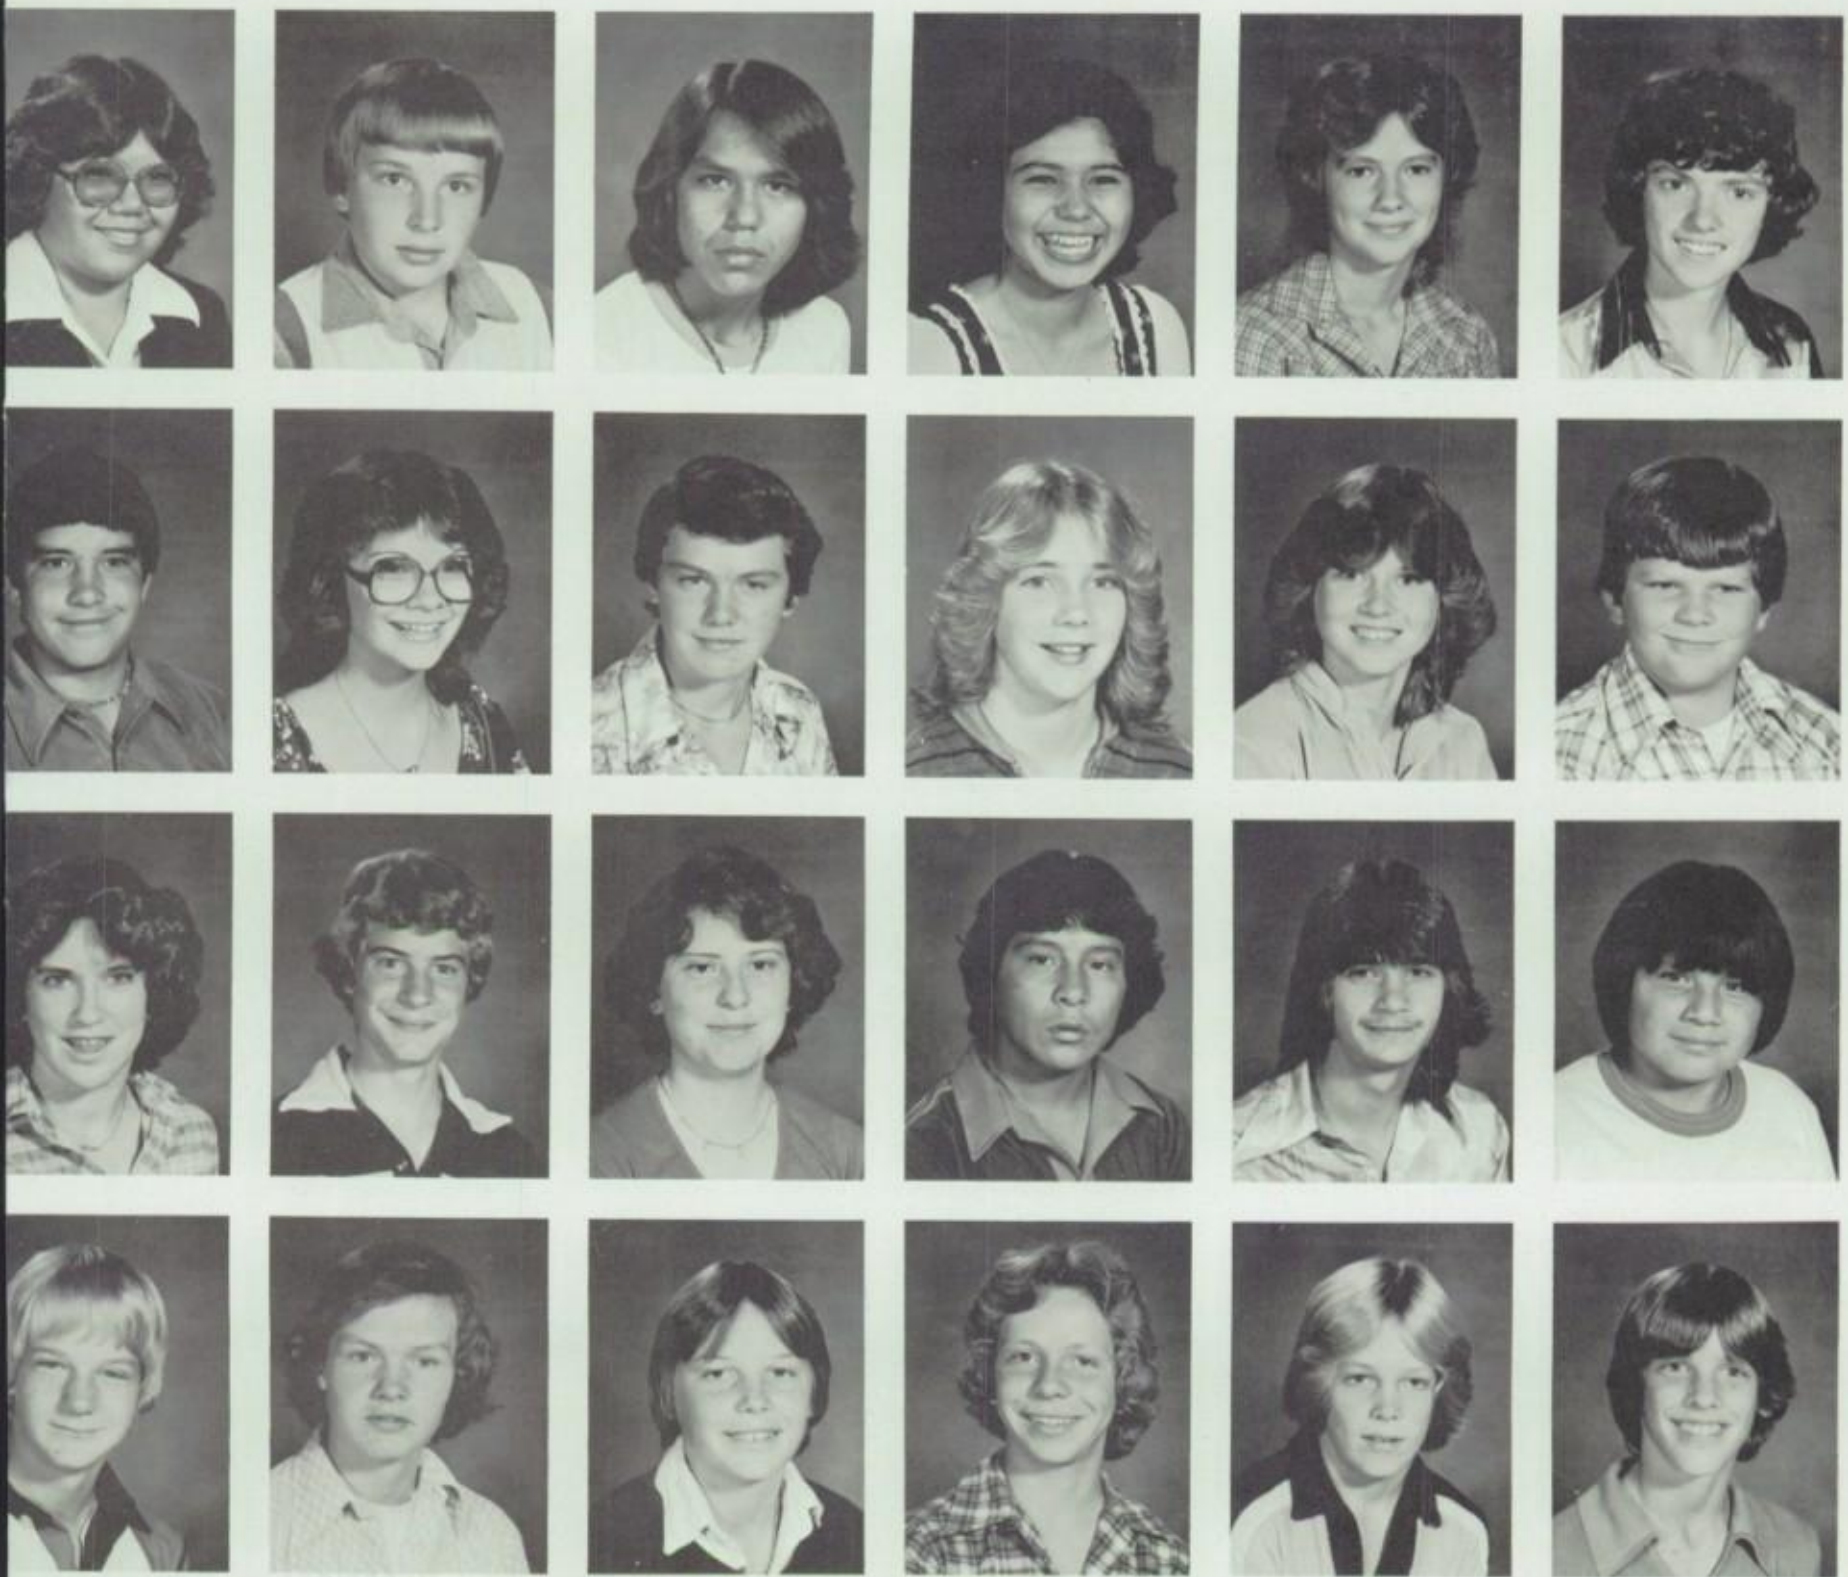

To represent the freshmen in the Homecoming activities, Jolene Anderson was elected as this year's Frosh Princess, and she chose Brad Blackman as her escort.

The freshmen took first places in the studentbody card drive, hall competition, Red, White, and Blue Day, and the Car Cram. Second places were earned in Inside-Out Day, Hat and Button Day, and the princess car competition.

High school introduces the incoming freshmen to many new experiences and challenges, one of the first being the traditional painting of the "M". This annual task is done in honor of the seniors, and being no different from those preceding it, this year's event turned to a whitewash war. As in other class activities, advisor Ron Phillips was there attempting to maintain order.

Decisions concerning freshman class activities were made by President Belinda Close, Vice President Brad Blackman, and Sec/Treas. Teresa Noel.

IN DECORATING FOR GRADUATION

Sophomores learn responsibility

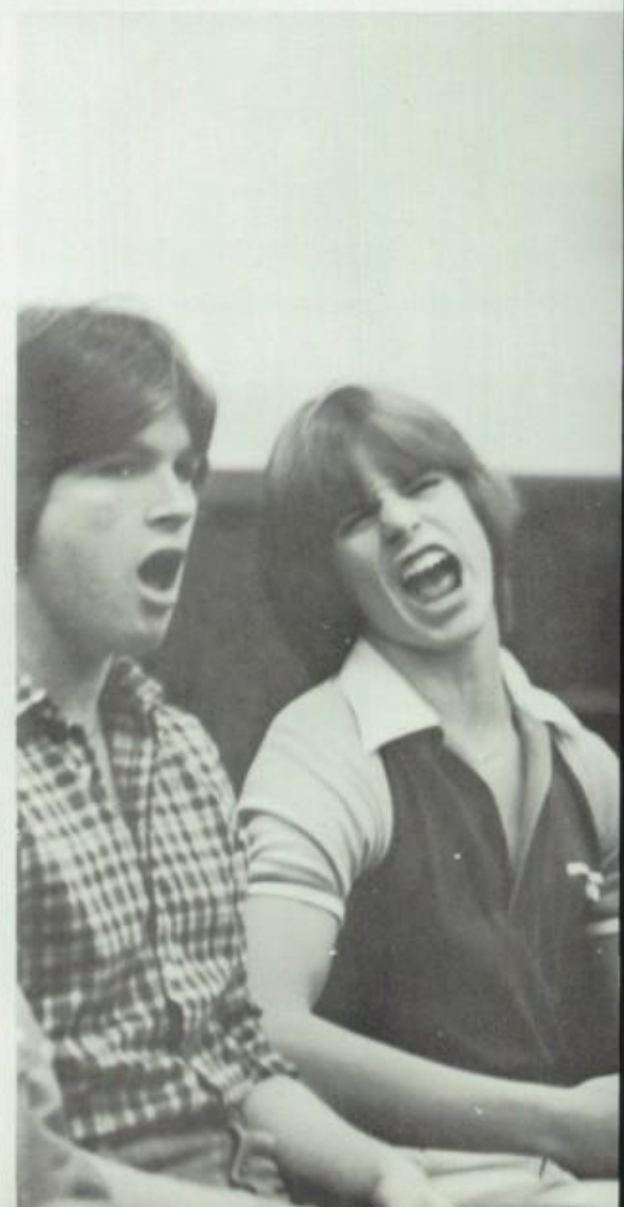

The Class of 1982 began their sophomore year by releasing all spirit and enthusiasm that had built up over summer vacation in the spirit week activities. This was, however, only enough to bring about a third place finish, even with first place finishes in the Three-Legged Race and car decoration, and second placements in Twin Day, the Car Cram, and the Pyramid-Building Contest.

Representing her class in the Homecoming activities was princess Debbie Verser, who chose Scott Ditmore as her escort. A black convertible owned by Walt Ponsford was used to transport the two in the parade and halftime introduction.

Class rings were ordered from Josten's in September. They arrived in mid-December to the excitement of the waiting sophomores.

The Class of '82 undertook the annual task of decorating for graduation with vigor. This activity taught them to be responsible, which will be a valuable lesson for the future.

Planning class activities were President Rick Fiala, Vice President Tina Chiddix, and Sec/Treas. Tami Hyder. Vince Powell, Biology teacher, acted as class advisor, with minimal help from assistant Margaret Sturza.

CLASS OF '82

Finally upperclassmen

The rowdy Juniors showed much spirit in Homecoming activities by winning the Yelling Contest, but loud voices weren't enough. Even though second places were earned in Clash Day, Hall Decorations, Egg Throw, Red, White, and Blue Day, and the Tire Tug-o'-War, the Juniors fell into last place by one point.

Princess Gigi Ashley and escort Chuck Crandall represented the junior class in the parade and during halftime of the football game.

To cut down on the cost of floats, the classes decorated a cranberry Fiat, owned by Vic Surratt, with black and white ribbons.

Organizing and working hard for the class were Cherie Bowers, serving her third year as class president, Tami Houts, vice president, and Ann Meade, sec/treasurer. The main projects for the Juniors were putting on and decorating for the prom and making money to fund it. The class was aided by their advisor, Mr. Halousek, who loaned experience to the many problems encountered in planning.

Secretary Ann Meade stated she thought it was "a good year as far as getting things accomplished." She also stated, "class enthusiasm and morale was much higher, probably because of the excitement of finally being upperclassmen."

RS

The class of 1980

When the Seniors entered Madras High School for the last time they were immediately pushed toward the future. College's began to visit, SAT tests had to be taken and everyone had to take personal finance to learn to live life on their own.

But in their last year, before they had to start a new life as Graduates, Seniors could reflect on the past. There were the days hard to remember when each one started grade school. Of those that started school in Madras, Metolius or Warm Springs only 44 graduated from Madras. In those days it seemed to the grade school stu-

dent that seniors were so big and it seemed forever before he could graduate. Junior High was a big change, there were seven different classes and seven different teachers, but the student still thought of graduation as a long way off. The student enters high school and before he knows it it's his senior year.

The class of 1980 began the year right by winning Spirit Week. They won three out of their four years and were the first freshman class in MHS history to win spirit week three years earlier. Senior Princess Michell Smith was crowned Homecoming Queen and was escorted by Ron Wilson.

Guiding the class through it's last year was President Kim Montee. Aiding him was Vice President Lori Bucsh and secretary Jan Hartshorn. Advisor for the class of 1980 was Mr. Steve Hillis.

As the year went on more and more cases of seniortis began to pop up. Countdowns were put up all over the

school.

The class voted "reach for the highest star, strive for the farthest goal, live life to the fullest," as their class theme. White and light blue were chosen as class colors, red roses as class flower and The Logical Song as class song.

Ron Wilson and Debbie Cosgrove were chosen as most athletic, Bob Macy and Alina Brewer had the best build. Bob Brown and Kim Olson were most talkative. Kim Montee and Jan Gillett were chosen as the ones most likely to succeed. Most talented were Ben Oches and Lynda Shields. Rally Vigil and Debbie Cosgrove were the best test couple. The two chosen best looking were Tracy Runge and Cassie Cordera.

There were 160 seniors that made it to the big night on May 30. That night they all got together for one last time for their commencement exercises. They received their diplomas and then they went their separate ways.

2

WHITE BUFFALOES

COVE PARK AND KAY-NEE-TAH MAKE FOR Perfect Senior Sneak

Three busses loaded with seniors left on the annual senior sneak at 8:30 on May 27.

The first stop of the day was the Cove State Park. There the seniors spent the morning playing softball, volleyball, frisbee, building pyramids, climbing trees, having food fights and even swimming.

At noon they all ate a lunch of chicken, potato salad, chips, and pop. After lunch the seniors loaded up and headed for Kah-Nee-Tah.

At Kah-Nee-Tah many spent the afternoon swimming, playing keep away, having camel fights, building pyramids and diving. Others spent the afternoon talking, eating, playing miniature golf, playing foosball or laying in the sun.

That evening the seniors loaded up and left Kah-Nee-Tah tired, sore, and happy.

2

Chris Hynes photographs people swimming. 6. Seniors enjoy the hot water of Kah-Nee-Tah. 7. Cinda Dittmore, Kim Olsen, Glen Fessler and Tracy Runge enjoy an intense game of softball.

WITH GRADUATION, 160 SENIORS

Achieve Goal of twelve years

At 8:00 on May 30 the Madras High School Band began playing Pomp and Circumstance. At that time, 160 seniors entered the gymnasium and thus began their graduation ceremonies.

This was the climax of twelve years of education. It began the day before with a practice and receiving caps and gowns. At 5:30 on the big day seniors started coming in to get their pictures taken and at 7:00 everyone was assembled in the cafeteria. Mr. Hillis frantically gave last minute instructions as 8:00 slowly approached.

Monsignor Matthew Crotty gave the invocation as the ceremony began. The A cappella choir sang the Sabbath Prayer and Gaelic Blessing. Monsignor Crotty followed with the Message. Jerry Aldoroty gave a touching Address about school years accompanied by Michelle Mitchell. This was followed by a slide presentation by Chris Hynes and Ester Kalama with Lynda Shields acting as soloist. Mr. Dmytryk Presented The Class of 80. Then 160 excited seniors individually received their diplomas from Mr. Bill Houts and Mr. Larry Hyder.

After the Benediction by Minnie Yahtin, the graduates met with family and friends in the Cafeteria before going their various ways to celebrate.

1979-80 CHEERLEADERS Build MHS spirit

Once again this year the rally did an outstanding job of promoting school spirit. The cheerleaders participated in many other activities besides cheering on the football and basketball teams. They practiced every night and spent many hours on their cheers. They also organized Pep Assemblies. They got special outfits and made up a dance routine they performed during halftimes and special events. They held a cheerleading clinic for girls in the first through sixth grades. All of the girls in this clinic did a cheer during the halftime of a varsity basketball game.

At the Central Oregon Cheerleading Contest the varsity squad were the Grand Champions and the J.V. squad took second.

In the fall the varsity cheerleaders were Robin Watson, Kelly Wicox, Janna Gillett, Penny Easter, and Michelle Smith. The J.V. cheerleaders for the fall were Tana Patchen, Ronda Watson, Melinda Easter, Debbie Verser and Lana Jackson.

The Varsity cheerleaders in the winter were Robin Watson, Kelly Wilcox, Terri Gates, Penny Easter, and Michelle Smith. The J.V. cheerleaders for the winter were Tana Patchen, Ronda Watson, Melinda Easter, Debbie Verser, Lana Jackson, Tresse Runge, and Rachel Schnider.

VARSITY BOYS SHOW Vast improvement

Head coach Rod Chester felt his 1979 varsity team has made more improvements than any other he has coached. More young players were out this year who pushed the varsity to play better.

Some of the moments that stood out this season were a smashing 26-0 victory over Grant Union, and a good tough effort against two of the best AA teams in the state, Burns and Gladstone.

"The only team that blew us out was Vale, the last game," Chester added. "All other games were very close and well-played. Only sixteen points kept us out of the state play-offs."

The Buffs lost three key linemen early in the year which Chester felt was a factor for poor depth as the season progressed.

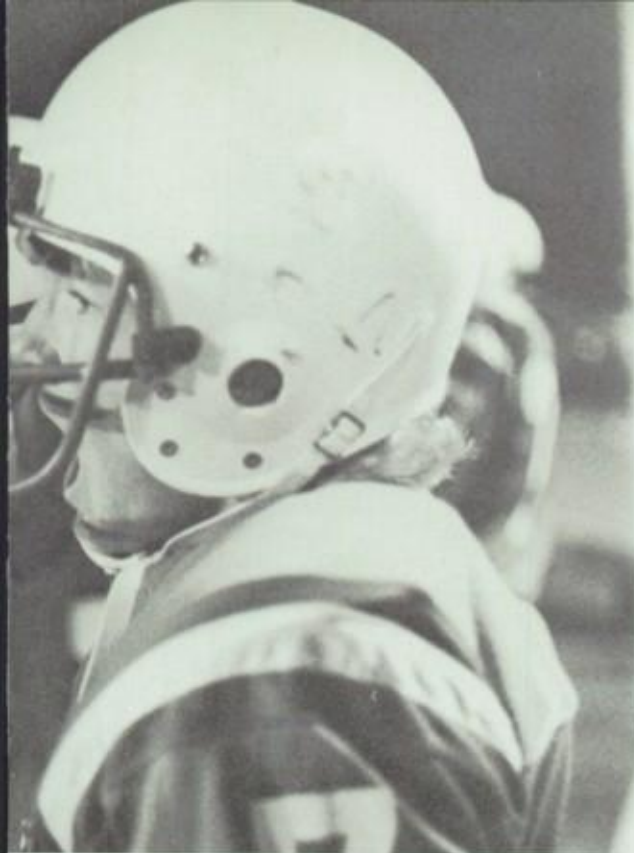

Next year the Buffs will lose eleven seniors, three of which were starters, with twelve returning juniors including All-League players Steve Rogers, Ken Hatfield, David Heap, and Dan Cross. There are several returning sophomores who played varsity at the season's end.

Seniors Billy Wayne and Ron McGuire were also chosen for All-League. Senior Ralph Vigil was voted MVP, and was co-captain along with senior Kelley Stinnett.

FRESHMEN BUILD SKILLS, Junior varsity win 7 straight

The freshman football team showed immense improvement this season while its players were being prepared for upcoming years of JV and varsity play. "Individuals who worked hard during the season did show a lot of skill improvement. Our problem was that we didn't develop fast enough as a team unit. I hope the players learned and realized the importance of practice and sacrifice that football demands to be successful," stated freshman coach Ron Phillips.

The freshman team had a win-loss record of 0-6 but obtained a lot of experience which will help them on the varsity level.

The JV team had a winning season, losing only their first game to Redmond. Coach Bob McKenzie believed the season record indicated a tremendous record of improvement because basically the same players that won no games as freshman had a 7-1 win-loss record this year.

The awards banquet for the JV and varsity football teams was held the 14th of November in the MHS cafeteria. Most Inspirational went to Wiley Fortson while Raymond Hurtado received Most Consistent and Hardest Worker. Scott Stinnett was voted Best Team Player; Michael Lofting, Best Offensive Lineman; Wayne Strutz, Best Defensive Lineman; and Brock Brooks received Best Defensive Back. Rick Fiala was voted Best Offensive Back, and received the JV's Most Valuable Player award.

J.V. FOOTBALL/95

BOY'S CROSS COUNTRY TEAM

Claims District Championship

"This was the most successful season I've had since taking over the cross-country coaching job at Madras High School. Winning district was their goal, and they really ran well to meet it," Coach Dave Randle praised.

They will lose two seniors, Russell Dendauw and Ed Henderson, who really benefited the team by being strong 5th and 6th runners.

Greg Kemper was the Buff's top scorer and most outstanding harrier as he was consistently the number one runner.

The second-best scorer was Geoff Randle, running in every meet without injuries. Lonnie Henderson was not so fortunate; he tore a cartilage in his knee. Rob Roley and Danny Gauthier were the two runners that filled out the varsity by improving at the seasons end. Dan became the number two runner at state for Madras.

"Our hopes for good teams in both boys and girls are excellent." Coach Randle added, "We will be setting our goals higher for next year. We will be seeking a state title in both boys and girls because of a strong returning team."

HARD WORK PAYS OFF AS Girls cross country wins district

"This season was the best in the history of the sport of cross-country at Madras. We had the talent to place highly at state, and I believe we would have won state if we had run as well as we did at district," stated Coach Dave Randle.

The girls won the District title with 33 points, and placed seventh out of fourteen schools at state. Many of the girls placed high individually at state, such as Nancy Roley who placed 28th out of 120 runners; Sue Lakin placing 32nd; and closely following were Vicki Moe and Joann Ahern who finished 36th and 50th respectively.

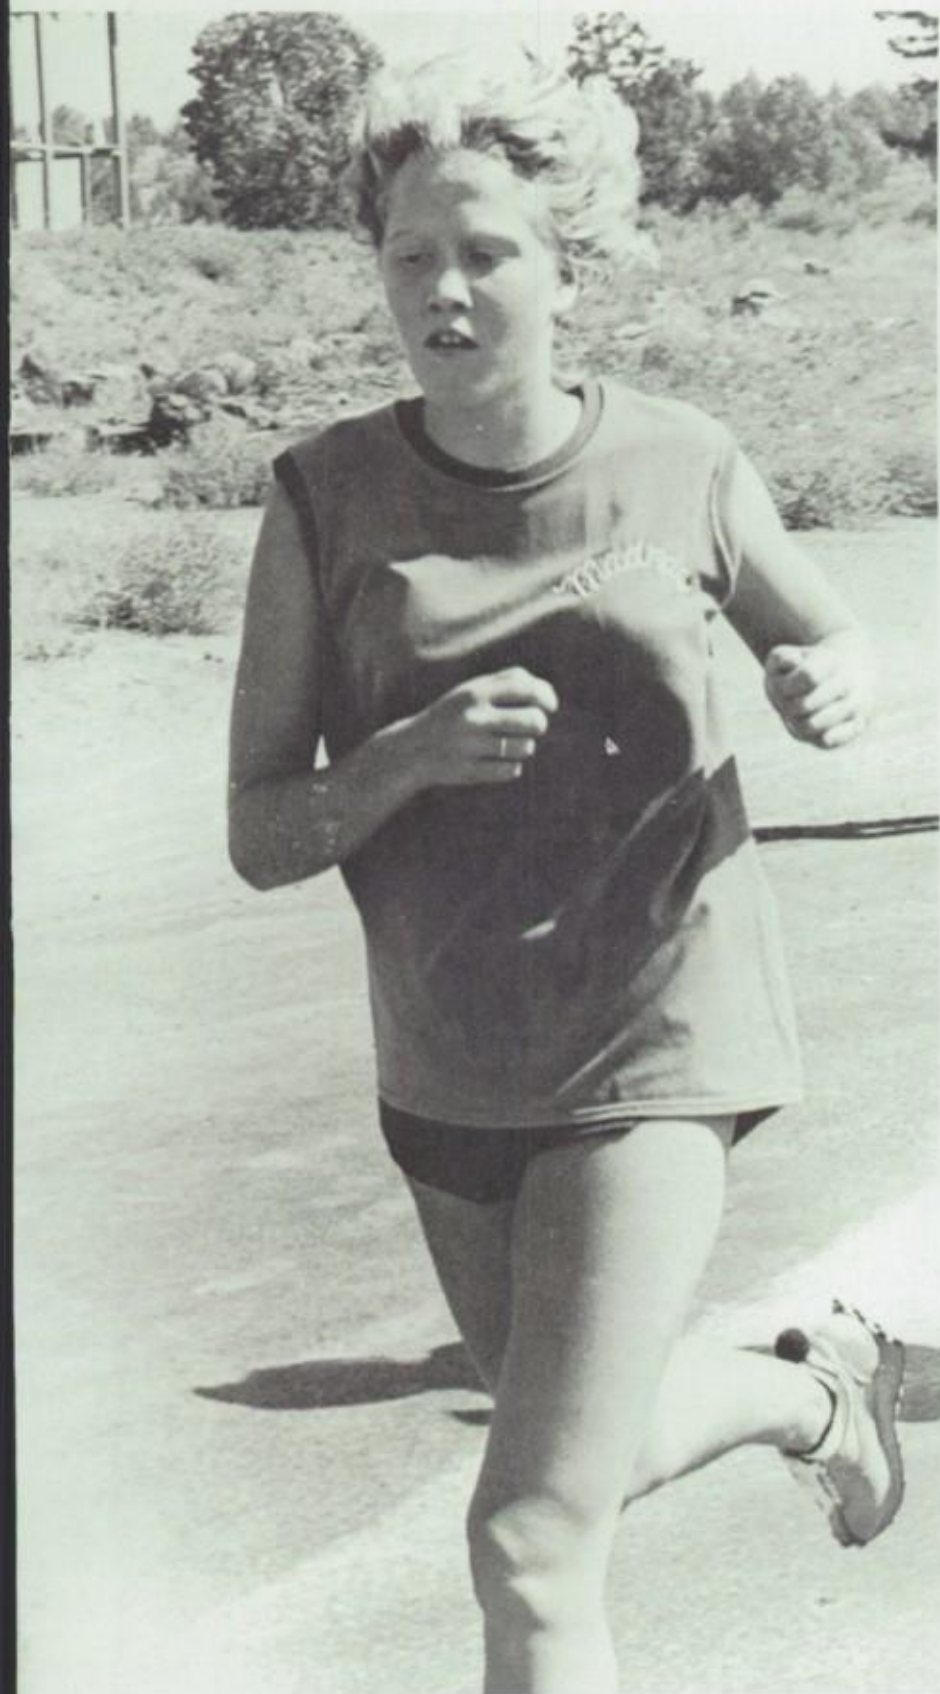

The other team members that participated at state included juniors Michele Henderson and Tami Houts; and sophomores Tami Hyder and Marie Ochs.

Most Outstanding Runner was awarded to both Nancy Roley and Sue Lakin.

This was an extraordinary cross-country season and was based on a lot of hard work. A regular workout consisted of a four to five mile run, sprints, and hills. But as you can see by the girls' performance, it pays off.

DEFENDING STATE CHAMPS FALL To Buff Varsity Spikers

Coach Margaret Sturza called the 1979 season a "super" one and felt her team displayed a good attitude throughout the season.

The Madras Spikers served very consistently; no one served under 77%.

Senior Terri Gates, a first team A 11-District selection, received a Super S award along with senior, Barb Crocker for their high serving percentage. Gates also received the Most Inspirational Player award, and shared Most Valuable Player with senior Lois Estimo, a first team All-District selection. Seniors Debbie Cosgrove and Cinda Ditmore were this year's team captains.

The highlight of the season was beating Burns because they were defending State Champions.

"Next season will be a building season because of a loss of eight seniors this year," Miss Sturza added.

6

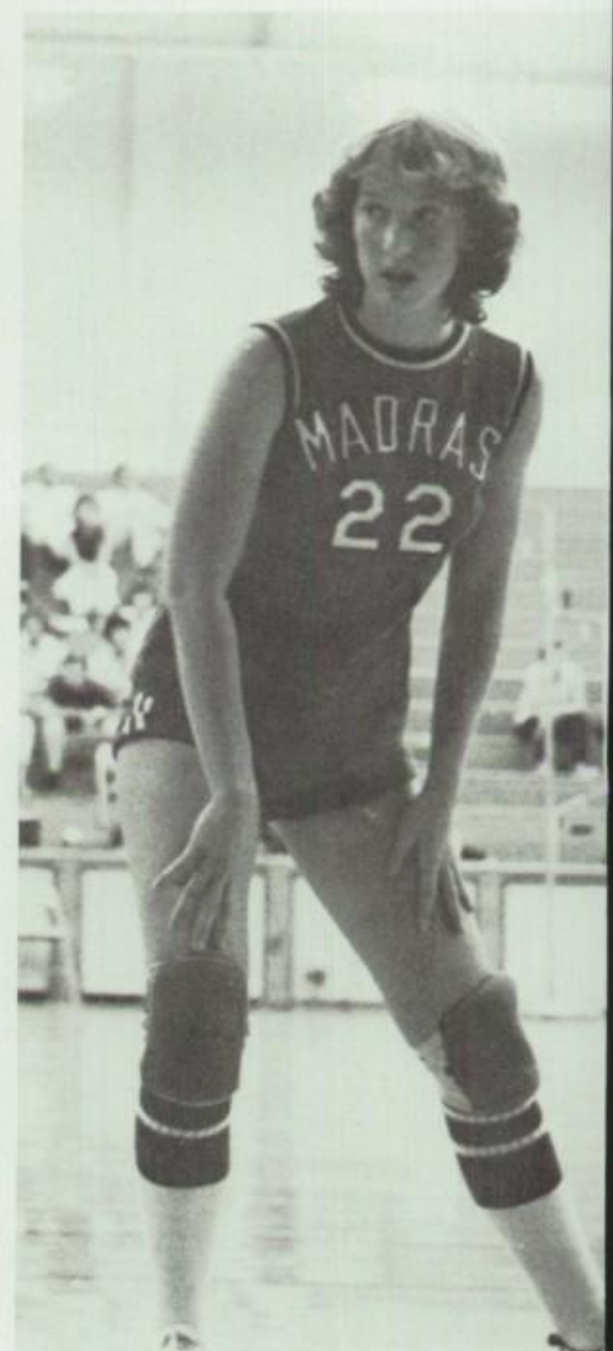

HARD WORK AND OUTSTANDING PLAY BRING Second place in District

"We had the second best team in our district after playing and beating all the AAA teams in Central Oregon," stated Coach Margaret Sturza of her JV volleyball team. The win-loss record was 12-4, losing only to Burns, Crook County, and Redmond.

Under the direction of Margee Wood, the freshman volleyball team did quite well. Though small, this eight man team did their best to hold their own on the courts, and ended the season with a 3-6 record.

The positions of team captain were held by Erin Olson, JV, and Ann Ramsey, frosh. Ann also received the freshman "Most Valuable Player" award. Coaches were unable to pick a most valuable JV player, but "Most Improved" was awarded to Lisa Maynard, sophomore.

"It was an overall good season with a lot of good attitudes," recalls Miss Sturza of the 1979 volleyball season.

1. A humorous word is exchanged between members of the JV team before play begins. 2. Lisa Maynard, JV's "Most Improved Player," bumps the ball over the net as teammate Carol Kathrein and referees look on. 3. The JV players pose for their team picture. 4. Frosh player Cindy Anderson prepares to set the ball for teammates to spike. 5. Kristin Powell, JV, shows her form in serving the ball. 6. Coach Sturza discusses strategy with the JV team during a timeout. 7. Freshmen coach Margee Wood and players Laura Madden, Tami Chard, and Kami Keene cheer their team to a victory. 8. Team captain and frosh MVP Ann Ramsey awaits the serve. 9. A pre-game pep talk is given by Coaches Sturza and Woods.

YOUNG VARSITY GYMNASTS HAVE Best season yet

It was a very young year for the 1979 gymnastics team, composed of four freshmen, three sophomores, and two juniors, but with Mrs. Sylvia Reynolds as the new coach, they were inspired toward the best season yet.

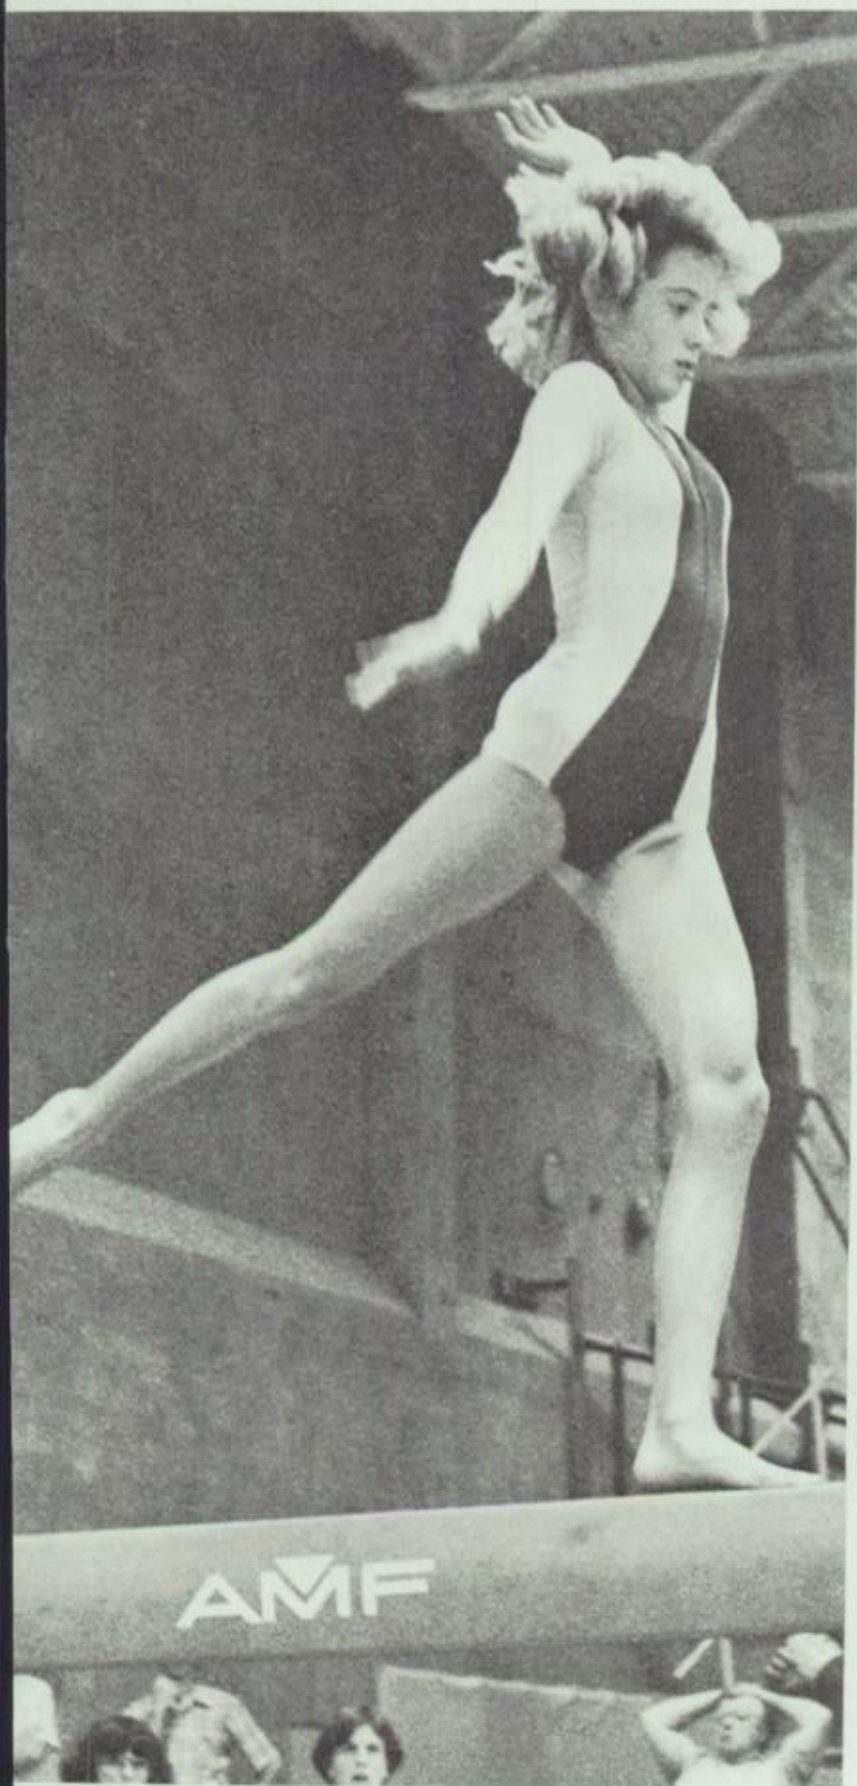

Freshman, Bonny Younger was named Most Inspirational for the varsity. She also missed going to state in the balance beam by three-tenths of a point. Freshman, Tami Montee, was the Varsity's Most Improved gymnast. For the JV, Tricia Courtney, junior, was named Most Improved.

A Most Valuable Award was not given this year, because according to Mrs. Reynolds, "We didn't give a Most Valuable Award to one girl, but instead to the team as a whole, because we were so young and I didn't feel any one girl really outshined the rest."

BUFFS GET TOUGH; HOLD OWN

With defending state champs

The Madras White Buffaloes brought their season to an exciting close with a good strong effort against the Mairst Spartans, the defending state champions. Although the final score showed a difference of 7 pts., the Buffs were leading at the half and kept the game close all the way.

The boys played very well during the season as well as in the state tournament, despite their lack of height. They overcame a great height disadvantage to beat Philomath in an exciting overtime contest.

Ron Wilson led the way for the Buffaloes this season because he was the leading scorer, rebounder, and free-throw shooter. He was named MVP, and made 1st team GOL and 2nd team at state, and was honored by being chosen to be on the state All-Star team.

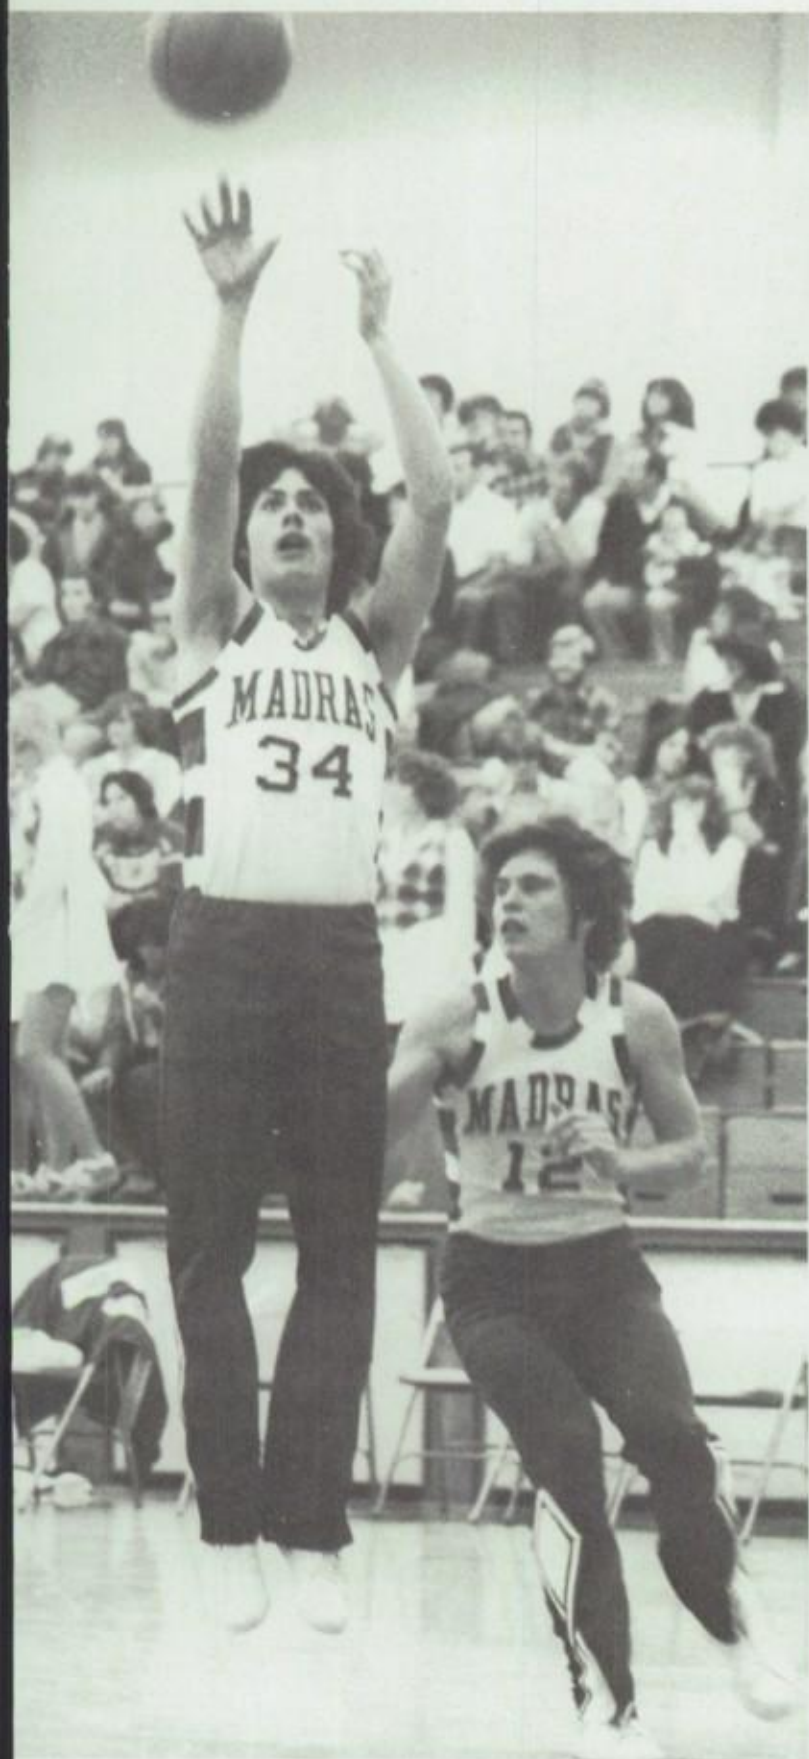

Tracy Runge, who was also on the GOL 1st team, collected the hustle award. Best Defensive Player, Eric Mitchell was chosen to be on the GOL Honorable Mention list.

The Varsity squad will be losing quite a few seniors to graduation this year: Ronnie Wilson, Tracy Runge, Donny Muskopf, Carl Daniels, Randle Leach, Al Estimo, Jeff Hill, and Rodney Mitchell. Mr. Blincoe will be looking for this year's J.V. starters and Varsity Lettermen to fill out next year's team.

TOUGH COMPETITION FOR JV'S

Outcome: Winning season

The game was against La Salle, there were four minutes left on the clock. Madras White Buffaloes Junior Varsity Squad slipped behind by seven points. The Buffaloes began to regain footage and now followed by one point. Suddenly with four seconds remaining on the clock junior Alan Alderman shoots and wins the game. A score of 62-61. This is just one example of the many outstanding games of the season.

The season was a competitive one for the Junior Varsity Basketball Team. But as the competition grew so did the team's willingness and desire to win. By the end of the season they had attained a win-loss record of 8-2.

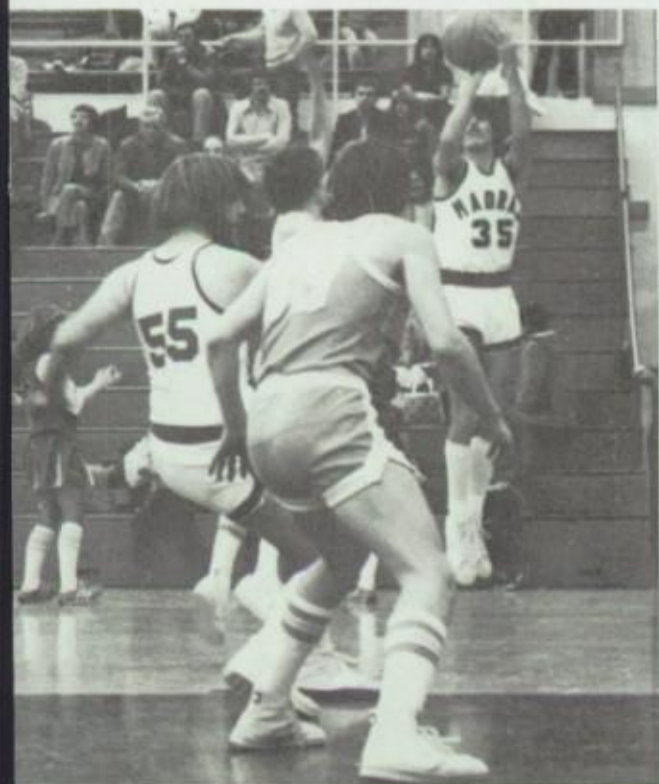

The captains that led the Buffaloes to their winning season were David Crowe, Greg Kemper and Scott Stinett. Crowe was chosen Most Valuable Player and Alan Alderman earned Most Improved. The freshman team had an equally good season. "All players worked very hard and saw action in most of the games. I felt we could have won more but in some of our losses we just couldn't get any breaks," states Coach Halousek of the frosh basketball team.

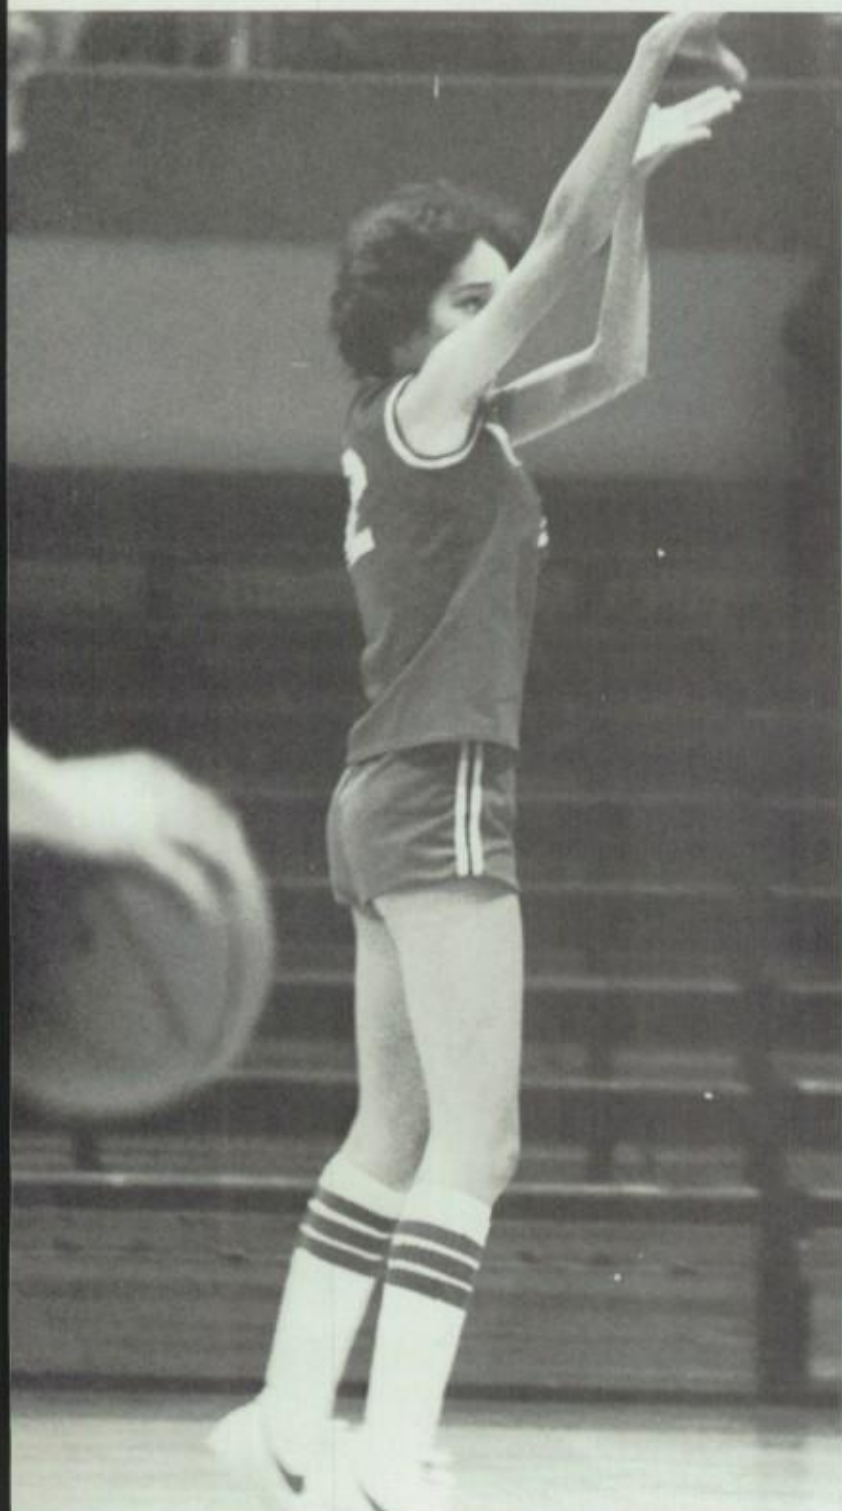

The freshman team ended the season with a win-loss record of 13-9. Roman Suppah was voted Most Valuable Player and Brett Werner Most Improved.

1. Freshman Brad Blackman concentrates on up-coming free-throw. 2. Junior Alan Alderman goes back up for two. 3. Freshmen boys basketball squad work toward the basket during a game against Redmond. 4. Basketball coaches Mr. Gerke and Mr. Blincoe watch the game intently. 5. Paul Meade, freshman, moves to assist his teammate. 6. Junior Ray Nichols creates a screen as sophomore Scott Goodson shoots for two. 7. The freshmen basketball team pose for team pictures. 8. Freshmen Roman Suppah and Jeff Akers look for an inbound pass. 9. Madras White Buffalo Junior Varsity Squad pose for their team shot. 10. Sophomores Brock Brooks, Rick Fiala, Luther Clements and Junior Ray Nichols set up for an out of bounds play.

Up GOL ladder VARSITY HOOPSTERS BEGIN CLIMB

The Madras girls' basketball team set their goals high, shooting for a first or second district spot in the Greater Oregon League, but fell short this year by two games.

Some of the highlights of the 1980 season were two straight spine-chilling wins in consecutive Friday night home games.

The first contest with Grant Union went into overtime, but using all ten players against the Prospectors in a strong team effort, the Buffs came out on top 53-52.

The next Friday night the Buffs did away with Burns 51-50. The two wins put the Buffaloes at the top of the GOL.

"We were as good as anybody in the league: we beat everyone once except for one team, including the GOL representatives at state, Mac-Hi and Burns," Mr. Wiles commented.

Senior Kimiko Danzuka led the way for the team with 166 points, 62 steals and 12 assists. She was chosen along with senior Katie Wallan as a 2nd team All-District selection. The two seniors shared the MVP Award with Barb Crocker and Keely Keene. Barb and Keely were selected as All-District Honorable Mentions. Barb was also chosen as the Buff's Most Improved Player.

The loss of the seniors will be felt next year, although there were only four: Barb Crocker, Katie Wallan, Kimiko Danzuka and Most Inspirational Player, Debbie Cosgrove.

JV AND FROSH SQUADS

Sharpen fundamental skills

This year J.V.'s squad under interim coach Ron Phillips, (Sylvia Reynolds was out for a back operation), compiled an 8 win and 9 loss record. "I'm thankful for a chance to work with some of the students I didn't know," commented Coach Phillips. "I felt a little disappointment after mid-season because practices were missed which probably contributed to our season record."

Freshmen players got a taste of high school basketball under coach Jim Keene, his first year of coaching at MHS. The Freshmen girls learned new skills and knowledge which gave some of them a chance to participate on J.V. and varsity squads. Coach Keene was proud of his team saying, "The girls came a long way. They spent extra time improving skills they lacked at the start of the season. They are winners now and know what can be accomplished with hard work." Frosh basketball team had a great season with a record of 13-3. Outstanding awards were given to Kami Keen: Most Valuable Player; Teresa Noel: Most Improved; Cindy Anderson: Hustle Award; Belinda Close: Most Inspirational; Allyson Kendall: Most Aggressive; Angie Eagan: The Achievement Award; and Lucille Gilbert: The Dedication Award.

HARD WORK DEDICATION GET GOOD RESULTS

Three go to State

Although the majority of the 1979-80 wrestling team were young, hard work and dedication resulted in much improvement.

Three wrestlers qualified in the District meet and advanced to the state tournament in Springfield. Heavyweight Billy Wayne and 148 pounder Bob Macy each took 1st place in their respective weight brackets, and Kelly Miller at 123 took 2nd in the District meet.

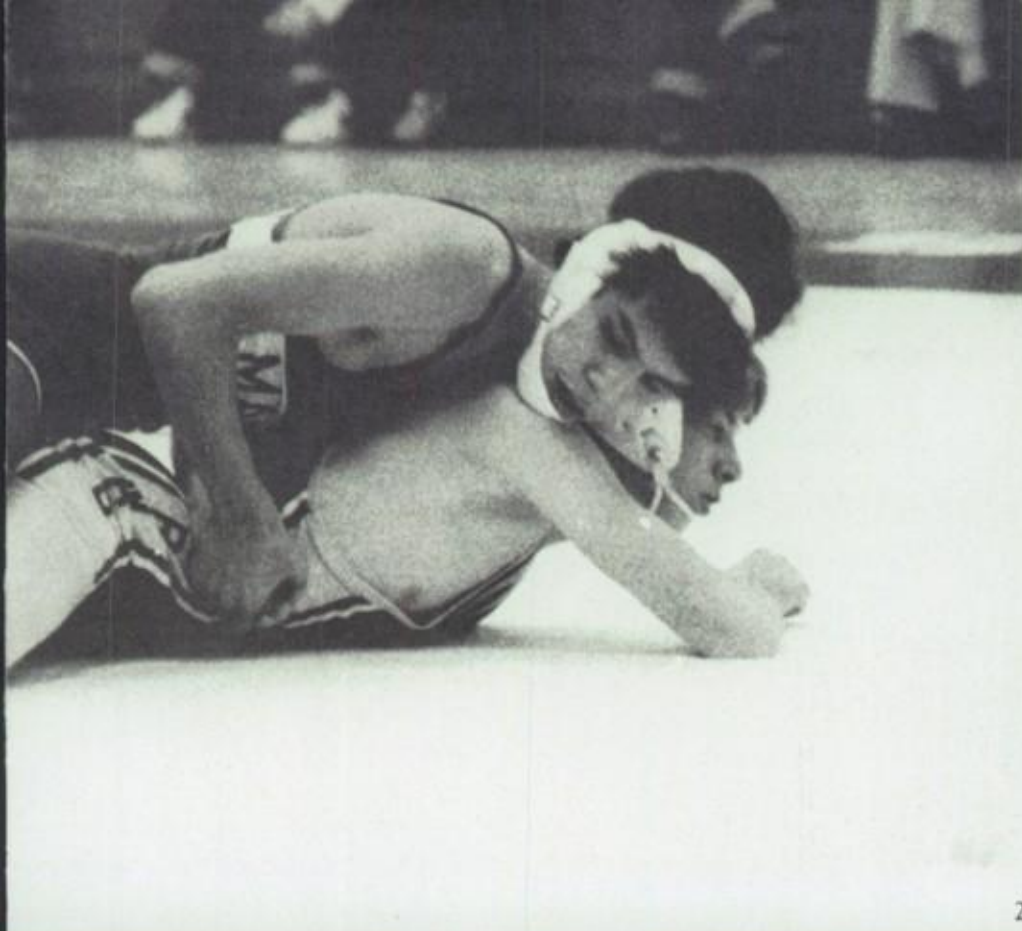

In Springfield, however, Billy was the only placer as he took 5th in the tournament. Said coach Jerry Byrne, "He had to wrestle the two best heavyweights in the state. I think he would have been wrestling for the championship if he had been placed in the other bracket."

Billy finished his senior year with a 25-2-1 record, the best of any White Buffalo and was chosen as MVP for the season. The varsity Most Improved award went to Troy Smith, and the J.V. to Gerold Hodges. Bob Macy was voted Most Inspirational.

Coach Bryne is losing wrestlers Bob Macy, John Thomas, Billy Wayne and Ed Henderson to graduation. Of his team's combined effort this year he said, "There is a good feeling all the way around. The kids are looking forward to the future."

YOUNG TEAM SHOWS POTENTIAL;

2nd at District; 8 go to State

The personal and team goals the 1980 boys' track team set for themselves this year were high, but not unreachable for a team that worked and improved as much as they did. "We did the best possible job in district," noted Coach Dave Randle. "The boys peaked and performed well. We got as many points as possible.

Over the season, the weight events were one of the areas lacking in depth. In the long and triple jump, however, there was a lot of depth as four jumpers added to the team points in almost every meet.

There was also good strength in the javelin. The many sprinters, middle and long distance runners also accumulated many winning points and achieved several personal bests.

The 400 meter relay team had difficulties making their relay exchanges but turned in good times, and should have a good year next season.

The big highlight of the season was the state meet in Gresham when the 1600 meter relay team beat the school record by 1.1 seconds with a time of 3:26.2, despite cold, rainy conditions. Wiley Fortson placed 4th in the long jump with a leap of 21-4, and Greg Kemper took 6th with a time of 1:59.1 in the 800 meters. Greg and Wiley were honored by being chosen for the Outstanding Track Athlete award.

TEAM STRENGTH EVIDENT WITH 2nd place finish at district meet

"An outstanding year", states coach Wiles, "five school records broken, 187 life time bests achieved and second place at district meet shows good team attitude and strength.

The school records were by Barb Crocker in the 4 Kilo shot put with a throw of 36'6.5". JoAnn Ahern the 3000 meter in 11:54.76, Teresa Noel in the 400 meter 61.35 and 300 meter hurdles :48.3. The 1600 meter relay team, Tami Hyder, Allison Kendall, Eddie Oliver and Teresa Noel broke the record with a time of 4:15.5.

"We'll be losing Barb Crocker, Rose Earl, Dolly Brooks, and JoAnn Ahern to Graduation as well as Teresa Noel who is moving. Those five girls and their points will be very difficult to replace. We hope to have added strength in the distance races to pick up some of the slack next year," states Coach Dave Wiles.

Awards were given to Belinda Close for Most Inspirational as chosen by her team mates. Most Valuable was awarded to Barb Crocker and Most Improved to Teresa Noel.

DESPITE BIG IMPROVEMENT, BUFFS

Narrowly miss State play-offs

Despite playing the first games of the 1980 baseball season with virtually no practice (because of the state basketball tournament), the Buffs stuck with it and pulled through, nearly making it to the state tournament; they missed their main goal by only one game.

The varsity team was very competitive this season, however, and finished 3rd in the Gol with a 5-5 record. "I felt it was a very enjoyable season," Coach Rod Chester.

Although they could have used more depth, they worked hard with what they had, and their attitude about themselves improved greatly as the season progressed. They began to believe more strongly in themselves as a team. This was fortunate because the pressure was really on them the last two play-off games against Mac-Hi. Coach Chester also brought up four players from the JV to help solidify the varsity team.

Several of the White Buffaloes were honored by all the coaches in the Greater Oregon League, who voted Ralph Vigil and Alex LaMere to the 1st All League team, and Carl Daniels and Fox Leonard to the 2nd All-League team.

Fox, who was chosen as MVP, and Ralph, who was voted the 101 percent award by being the hardest worker, were also this year's honorary captains.

Donnie Muskopf earned the most versatile award by being able to play almost any position well. Best Defensive outfielder was awarded to Tracy Runge, and Tony VenPelt had the Best Pitching record.

PROMISING FUTURE FOR J.V. baseball players

"It was a good overall season" was the way Coach Blincoe described the 1979-80 junior varsity baseball season. Losing only to Redmond, Maupin and Bend they obtained a win loss record of 11-4-1.

There were no awards presented but Coach Blincoe mentioned several key players as follows, Brett Henderson, Ken Hatfield, Joey Macias, and Grayson Walker. He also mentioned several outstanding sophomores and freshman. Kim Dixon, Andy Leonard, Rod Smith, Brad Bolton, Troy Smith, and Mike McClelland. "The Freshman had no team of their own this year but there's a good chance for one next year", stated Mr. Blincoe.

We are losing the whole varsity team to graduation, so this is a good opportunity for the years junior varsity squad.

Coach Blincoe felt the junior varsity team had good pitching, fielding, hitting, and good attitude. A very consistant team.

VARSITY BOY'S REIGN AS District Champions

The 1980 Boys Varsity Tennis Team had an exceptional year, winning the District 7AA Championship with 42 points and earning varsity points in State Competition.

Junior, John Carlson led this year's team, taking first place in singles at district and winning the consolation bracket at state. He was voted Most Outstanding and his league record showed him to be truly an outstanding player.

The Most Improved Player award went to Sophomore Brock Brooks, who won second place in singles at district. Hardest Worker went to Dewayne Charley, and The Most Improved on the J.V. Squad was earned by Freshman David Hoffman.

A fourth place singles win by Sophomore Patrick McKenzie and a second place doubles win by Junior Trent Horttor and Freshman Derek Wallace also aided in Madras district championship.

HARD WORK AND DEDICATION MADE THEM

District champions

"This was by far the strongest team ever in the history of Madras," praised Coach Dennis Wallace of his girl's tennis team. Three girls went to state after Madras won the district championship for the first time with 39 points. At a close second was Vale with 33 points, and at a distant third was Burns with five points.

The girls went to the tournament with a 5-0 district record, and a 12-13 overall record for dual meets.

In state competition, Madras claimed two matches for the first wins ever at state.

Voted Most Valuable Player was Susan Davis, who was seeded #1 at district, and lived up to these expectations, winning her championship games 6-0, 6-1; 6-4, 6-3; 6-3, 6-2; and 6-1, 6-4.

Accompanying Susan to state competition after placing second at district in doubles were Kristin Powell and Renee Wallace.

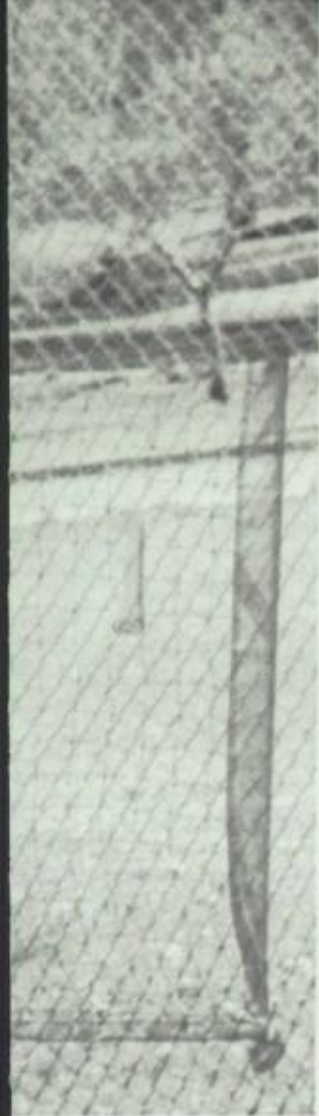

Awarded Hardest Worker was senior Debbie Cosgrove, a four year veteran of tennis, and Most Improved was earned by freshman Ann Ramsey.

Coach Wallace has coached in Madras for eight years. He is looking forward to a strong team next year.

COACH DUKE RETIRES AS Golfers take 9th at state

The 1980 golf season was the last year for Coach Robert Duke. The loss will be felt by everyone, especially the 1981 Golf Team. Mr. Duke has been coaching golf for 11 years. Over this time period they have had two district championships and numerous rewarding seasons.

"This years team had an overall successful season, everyone improved", commented Coach Duke. Even after the loss of senior Al Estimo the golfers took second at district, qualifying for the state tournament and eventually placing ninth at state.

"Next year the team will be better than average," stated Mr. Duke. There are several promising freshmen, sophomores and eighth graders that will add to the team.

Graduating members were Al Estimo and Eric Lindgren.

There were no specific awards given, however all varsity members recieved a letter award.

This years varsity squad members consisted of Al Estimo, Eric Lindgren, Robby Miller, Carl Lindgren, Jeff Jones, and Wayne Strutz. The Junior Varsity team was Rick Schnitzler, Jim Jones, Scott Gartzke. Jeff Wagner, and Robert Oatman.

2

Sophomores Erin Olson and Dorcas Schnider, Senior Terri Troyer, and Junior Sally Boggs work diligently on the yearbook.

They call it "Gift of the Gods."

The Warm Springs Indians call it "Kah-Nee-Ta"... "Gift of the Gods." There's no other place quite like it, anywhere! It's just a few miles from home, yet when you get away to Kah-Nee-Ta Vacation Resort, you'll feel as if you're in another world. It's an unspoiled, wide-open land of multi-colored canyons, reaching up to a sun that shines 340 days a year.

It's a wealth of Indian culture everywhere you look: Towering teepees, the textures and design of the lodge, distinctive cuisine, Indian festivals and rodeos.

Of course, you'll also find everything you'd expect of a luxury resort: An 18-hole golf course, swimming, tennis, fine dining...all for the same rates as an *ordinary* place. For a long weekend, or a special mini-vacation, come to Kah-Nee-Ta. You deserve no less than the "Gift of the Gods."

2

To,
Joe (Dennis)
a real good friend
(most of the time) and a good
Journalism student.
David "83"
Hoffman "

Joe, 4-26-81
To one hell raisin
guy! You've got your
head screwed on right
good luck to you in the
future! I'm looking
forward to the partying
ahead! Stay high and
have a good one! or two!
Love your friend
always.
Diane
Franco

HA!
HA!

-*

about
Mr. Dennis (per)
Parker here I am
trying to sign your answer
and I have a craving (munchies) with
for 43 cents I never really knew how
extra cheap! I'll tell you that you can about a 15-15%
funny chickadee already. I'm glad to me about kind, fun. Love
me didn't know enough to give a nice, sweet, you avoid running in to chair
no) Anyway type of human road puddles, and right? in life. May for
laughing to stay out of your side of eating pizza. I do! thing be yours. Each for
how to anchor; sneaking the best of your pizza. I do! thing be yours. Each for
for business that ~~is~~ the pop please class turn to figure it right
